Catherine stated that Aaron Peterson wasn't able to be here tonight but had asked her to bring up in the meeting his concern with all the people that have put fences, rocks, and other dangerous items on the town right of way. The council is also concerned about this problem and felt like we need to contact Grant Hansen because this is a zoning issue.

Mayor Christensen stated that David Sorensen had contacted him and resigned his seat on the council. The council discussed the steps that needs to be taken to appoint someone to his seat until the next elections. After some discussion Catherine said that she would post a notice about the vacancy and that a letter must be received at the Town Hall no later than April 8, 2016.

Mayor Christensen reviewed with the council a letter he had written to Troy Sorensen concerning his business "Mayfield Automotive" that he has at his residents. He is in violation of our zoning ordinance having the business at his home. The Mayor said that he had contacted our attorney Kevin Daniel and Grant Hansen our Zoning Administer and had them review the letter and they both said we are within our rights according to our zoning ordinances to ask him to stop the business.

Mayor Christensen stated that he had attended the Gunnison Recreation Committee meeting. He said that we need to have a councilmember and a Mayfield Resident to serve on the committee and the committee meets monthly. John was very impressed with the program and said that this past year the recreation program served over 800 adults and children.

Move to adjourn.
