

# Mayfield Town Cabin

Dear Cabin Guests,

Welcome to a unique, primitive camping experience. This letter includes some basic information that should be helpful to you. Please observe additional signs that you find posted in the cabin.

You will find the cabin about 13 miles East of Mayfield in the Manti-LaSal National Forest on a lovely little meadow near a spring. It's beyond Clear Creek Flats. Accommodations include:

Four double beds	Shelves
Four double bunks with mattresses	Pots and pans
Two tables	Plates, bowls, and utensils
Benches	Hot pot holders
Cook Stove	Broom and vacuum
Cupboards	

There is a kitchen sink and wash basin with tested and approved water from July to September. Water is shut off for the remainder of the year. An electric line comes inside from a cement pad behind the cabin where you may attach a generator. The Town no longer supplies a generator for the cabin. Please provide your own:

Candles or generator	Bedding	Firewood (Coal)
Hand and dish towels	Soap	Garbage bags
Toilet Paper	Matches	Lantern
Flashlight	Saw or ax	

The cost to rent the Mayfield Town Cabin is \$70.00 per night for the large cabin and \$95.00 per night for the large and small cabin (large cabin must be rented in order to rent the small cabin). The cabin books quickly for the summer, so please pay in full at least 14 days in advance. Please contact Catherine Bartholomew for payment options (see information below).

We ask you to please take all perishable food and garbage away with you when you leave. We invite summertime uses, especially those who also plan on making winter visits, to voluntarily cut and stack enough firewood under the porch to accommodate the winter use. A permit is not required for cutting wood to be burned at the cabin.

We hope everyone will cooperate in keeping the area nice and clean. Please report back any suggestions, unusual circumstances, repairs needed, payments, etc. to: Catherine Bartholomew, P.O. Box 541, Mayfield, Utah 84643 (435) 528-7031 or (435) 528-5061.

We hope you have a very enjoyable time!  
Mayfield Town Council
