

MAYFIELD TOWN

Mayor's Corner

I wanted to thank everyone who helped in any way with the Pioneer Day Celebration and festivities in Mayfield. In order to put on a small-town celebration, it takes innumerable hours of planning, organizing and purchasing supplies and services. Thanks to the Mayfield Lions club, who chaired the planning and organizing for the festivities. Thanks to Madison James, Mayfield Town treasurer for organizing the parade. It is always a treat to see the many individual and family floats and entries in the parade. Mayfield Town Youth council sponsored the 5K fun run at 7:00 AM for the early risers that were not involved. Thanks to the food crew, headed by Mike and Amanda Bennett. Thanks to all who participated in the parade and making this a special day. We were honored to have Marvin Fox serve as the Grand Marshall for the parade. If you read the local paper, you will note that Marv and his wife Lois have been involved in Lions, first in Gunnison and then organized and was the first president of the Mayfield Lions Club. Marvin and Lois have lived lives of service to their family, friends and community. We missed Lois being with Marv for this special occasion, but health related issues prevented her from being with us. We are grateful that Marv and Lois' son was able to be here to drive the jeep and that their granddaughter and her partner rode in the jeep as well. Mayfield would not be what it is if it weren't for volunteers, whether they be part of the Lions Club, youth council, civic and church leaders. When I ride around town, I see evidence of people making a difference in their own yards as well as around town. I was at the park Saturday after all booths and equipment were put away and I was overwhelmed at how clean the park was. With the large crowd and the activities, I could not see any litter in the park. It was spotless. Thanks again to all for your work and participation. Please have a safe and enjoyable summer. Thanks for all you do!!!

Thanks to our Town employees and staff for their help.
