It has been brought to our attention that some citizens would be interested in doing a community garden. The council has discussed this and would like to get a committee formed to organize a community garden. Please contact us by January 31st with your ideas for location, garden ideas and interest in serving on a public community garden committee so we can continue to pursue this interest.

Message from your new Mayor:

*Dear Mayfield Town Citizens,*

*As all of you know Mayor John Christensen's health declined such that a move from Mayfield to a lower elevation, St. George area, was necessary for him. We want to thank John for his many years of service to Mayfield as Mayor and the community and for Julie for her work behind the scenes supporting John and the Town events. We will miss you, John and Julie. Thank you again for all your work on our behalf, you have left the city in a solid position.*

*I am grateful for the trust placed in me by the Mayfield Town Council to fill the position of Mayor and complete the final year of John's term. I am also grateful to Wesley Coates, along with his wife Billie as support, who also applied to serve. It proves that there are great people in Mayfield willing to serve. I am grateful for the 4 councilmen who are currently serving; Eric Peterson, Mike Bennett, Aaron Peterson, and Jake Dyreng. They have a very keen interest in the Town, and I look forward to serving with them. We have a great staff, whom I look forward to working with; Amanda Bennett, Clerk, Garrick Willden and Brandy Meyer, Utilities, and Travis Good, Landscaping. I am also thankful for each of you as citizens. We will work together to move the Town forward. I realize that 2020 has been a difficult year. We hope that 2021 will allow us to return to a semblance of normalcy.*

*I drove around Mayfield following the last snow storm. I was amazed at the community spirit of helping our neighbors to get access to their homes and driveways. Thank you for all you do in helping each other.*

*I look forward to getting to know each of you. I hope you will all have a very successful and healthy year.*

*Steve Anderson, Mayor*

Included in your statement this month is also a survey from your local Lion's Club. Please take the time to respond.

***Please note Office closures for January: afternoon of Tuesday 01/12/21 and all of Tuesday 01/19/21.***
