

MAYFIELD TOWN

THANK YOU ERIC

We thank Eric Peterson for his public service as a Councilman since 2014, we wish him well in his future endeavors. There are a few thoughts that come to mind when we think of Eric. He has served the public efficiently and honestly. He has complete dedication to the people of Mayfield. We also thank Emily for her years of service too, more times than not, it is the spouse that aids in the success of the other! "You are not here merely here to make a living. You are here in order to enable the world to live more amply, with greater vision, with a finer spirit of hope and achievement. You are here to enrich the world, and you impoverish yourself if you forget the errand." -Woodrow Wilson

Mayfield certainly has become a place for finer spirit of hope and achievement, Thank You for your outstanding service Eric!

INPUT RECEIVED

We received valuable input on our surveys sent out last month. Thank you for taking the time to submit them. These will be taken under advisement with the Lions Club who requested we get the information about a project at our park.

DID YOU KNOW?

We forgot about the Christmas Light Contest! And we are very sorry! Thank you to those that decorated your houses and yards with lights, and thank you for your continued festive spirits that make our holidays bright!

Mayor's Corner

This has been an amazing year for me as your new Mayor. A very fast learning curve to understand how the town functions and all the components that make the town run smoothly. One of the most important parts is the people. I am grateful for their patience while I have learned my responsibilities. I would like to thank Eric Peterson for his service for 8 years. That is a great sacrifice for a young father and husband. Eric's service goes beyond just these 8 years. Eric served many years as a Christmas Santa Claus as well as manning many park events in his youth. Thank you Eric. At our January 12 town council we will recognize Eric for his years of service and then administer the Oath of office to myself and two councilmen, Michael V Bennett, incumbent for a second term and Jaden James for his first term. We look forward to working together to continue the good work of administering the town. Our responsibility is to oversee the operation and growth of the town. We are working on improvements to the culinary water system with a upgrade and improvements of the lower 12 mile spring. The Community Impact Board has scheduled a hearing on our application for funding these improvements for January 6th. We are excited what this improvement will mean to our water delivery. We are also looking forward to some access and security improvements to the park, curbing and surveying at the Cemetery, cleaning up trees growing in the city, right of way around town and road improvements. This will be an exciting and busy year. We look forward to getting to know you better. May this be a good year for each of you.
